

Responsibilities of the Generator

1. The Generator shall segregate the waste at the point of generation in accordance with the BMW (M&H) rules 1998.
2. The Generator shall collect the segregated BMW in sealed Non chlorinated plastic bags as stipulated by State Pollution Control Board (SPCB) norms. BMW shall not be lifted in open condition of waste.
3. The Generator who has implemented the barcode system must ensure that barcode stickers are provided at the time of lifting Bio-Medical Waste (BMW). In the absence of barcode stickers, the Kashmir Health Care System shall not lift any waste.
4. In case unsegregated waste is presented for lifting, the Generator must take immediate corrective measures to discontinue such unhealthy practices. Failure to comply may compel the service provider to discontinue waste collection services.
5. All consumables such as bags, waste bins, disinfectants, etc., shall be procured by the Generator at their own cost.
6. The Generator shall disinfect and mutilate all sharps, and ensure they are handed over in puncture-proof containers to the Kashmir Healthcare System office.
7. The Generator shall take all the steps to ensure that the BMW is handled without adverse effect to human health and environment.
8. The Generator must establish a common secured waste collection site (Segregation Shed) within its premises for collecting and final disposal to Kashmir Health care System.
9. The Generator shall maintain a Bio-Medical Waste (BMW) Logbook as mandated under the Bio-Medical Waste Management Rules and ensure it is updated daily and made available for inspection by authorities.
10. If the Centre is closed for any reason, Generator shall submit an application for same within seven days to stop the monthly bills. Otherwise, Generator will be responsible for paying the full amount, even if no service was provided.
11. The Generator is solely responsible for renewing their Agreement from the office of Kashmir Health Care System once the agreement has expired.
12. The Generator shall be solely responsible for the change in Title, Location, Proprietor change etc. and shall inform Kashmir health care System and SPCB within seven days about any such changes.
13. The Generator shall be solely responsible for the change in declared number of beds and shall inform Kashmir health care System and SPCB within seven days about any such change in the number of beds. In case of non-reporting will be considered suppression of facts which must have monetary consequences.
 - I. Total Number of beds as per sanctioned _____ (at present) at the rate of 8.00 per bed per day inclusive of all taxes and charges with lab charge Rs. 1200/=
 - II. BMW Registration Charges: Rs 5600 (including GST) that will be one time and non-refundable, with a monthly or a yearly bill.
